NEWSLETTER JANUARY 2022

Dear Parent/Carer,

Welcome Back

It was lovely to welcome the children back for a new term and we wish all of our families best wishes for the coming year.

Unfortunately, Covid restrictions still remain in place and with that staffing remains the most challenging issue at this time.

Due to staff absence there may be times when your child has a change of class teacher for a short period of time. We have tried to source cover from GCC but as you can imagine the Supply List is very scarce. We have managed to cover staff absence with our current staff and hopefully this can continue as sending home whole classes would be a last resort. We appreciate your continued understanding at this difficult time.

Fluoride Varnish Thursday 13th January

Dental nurses will be in school on Thursday 13th January to administer fluoride varnish treatment to all pupils in P1 to P4 who have provided appropriate consent.

If you have not returned the form duplicates can be obtained by phoning the office.

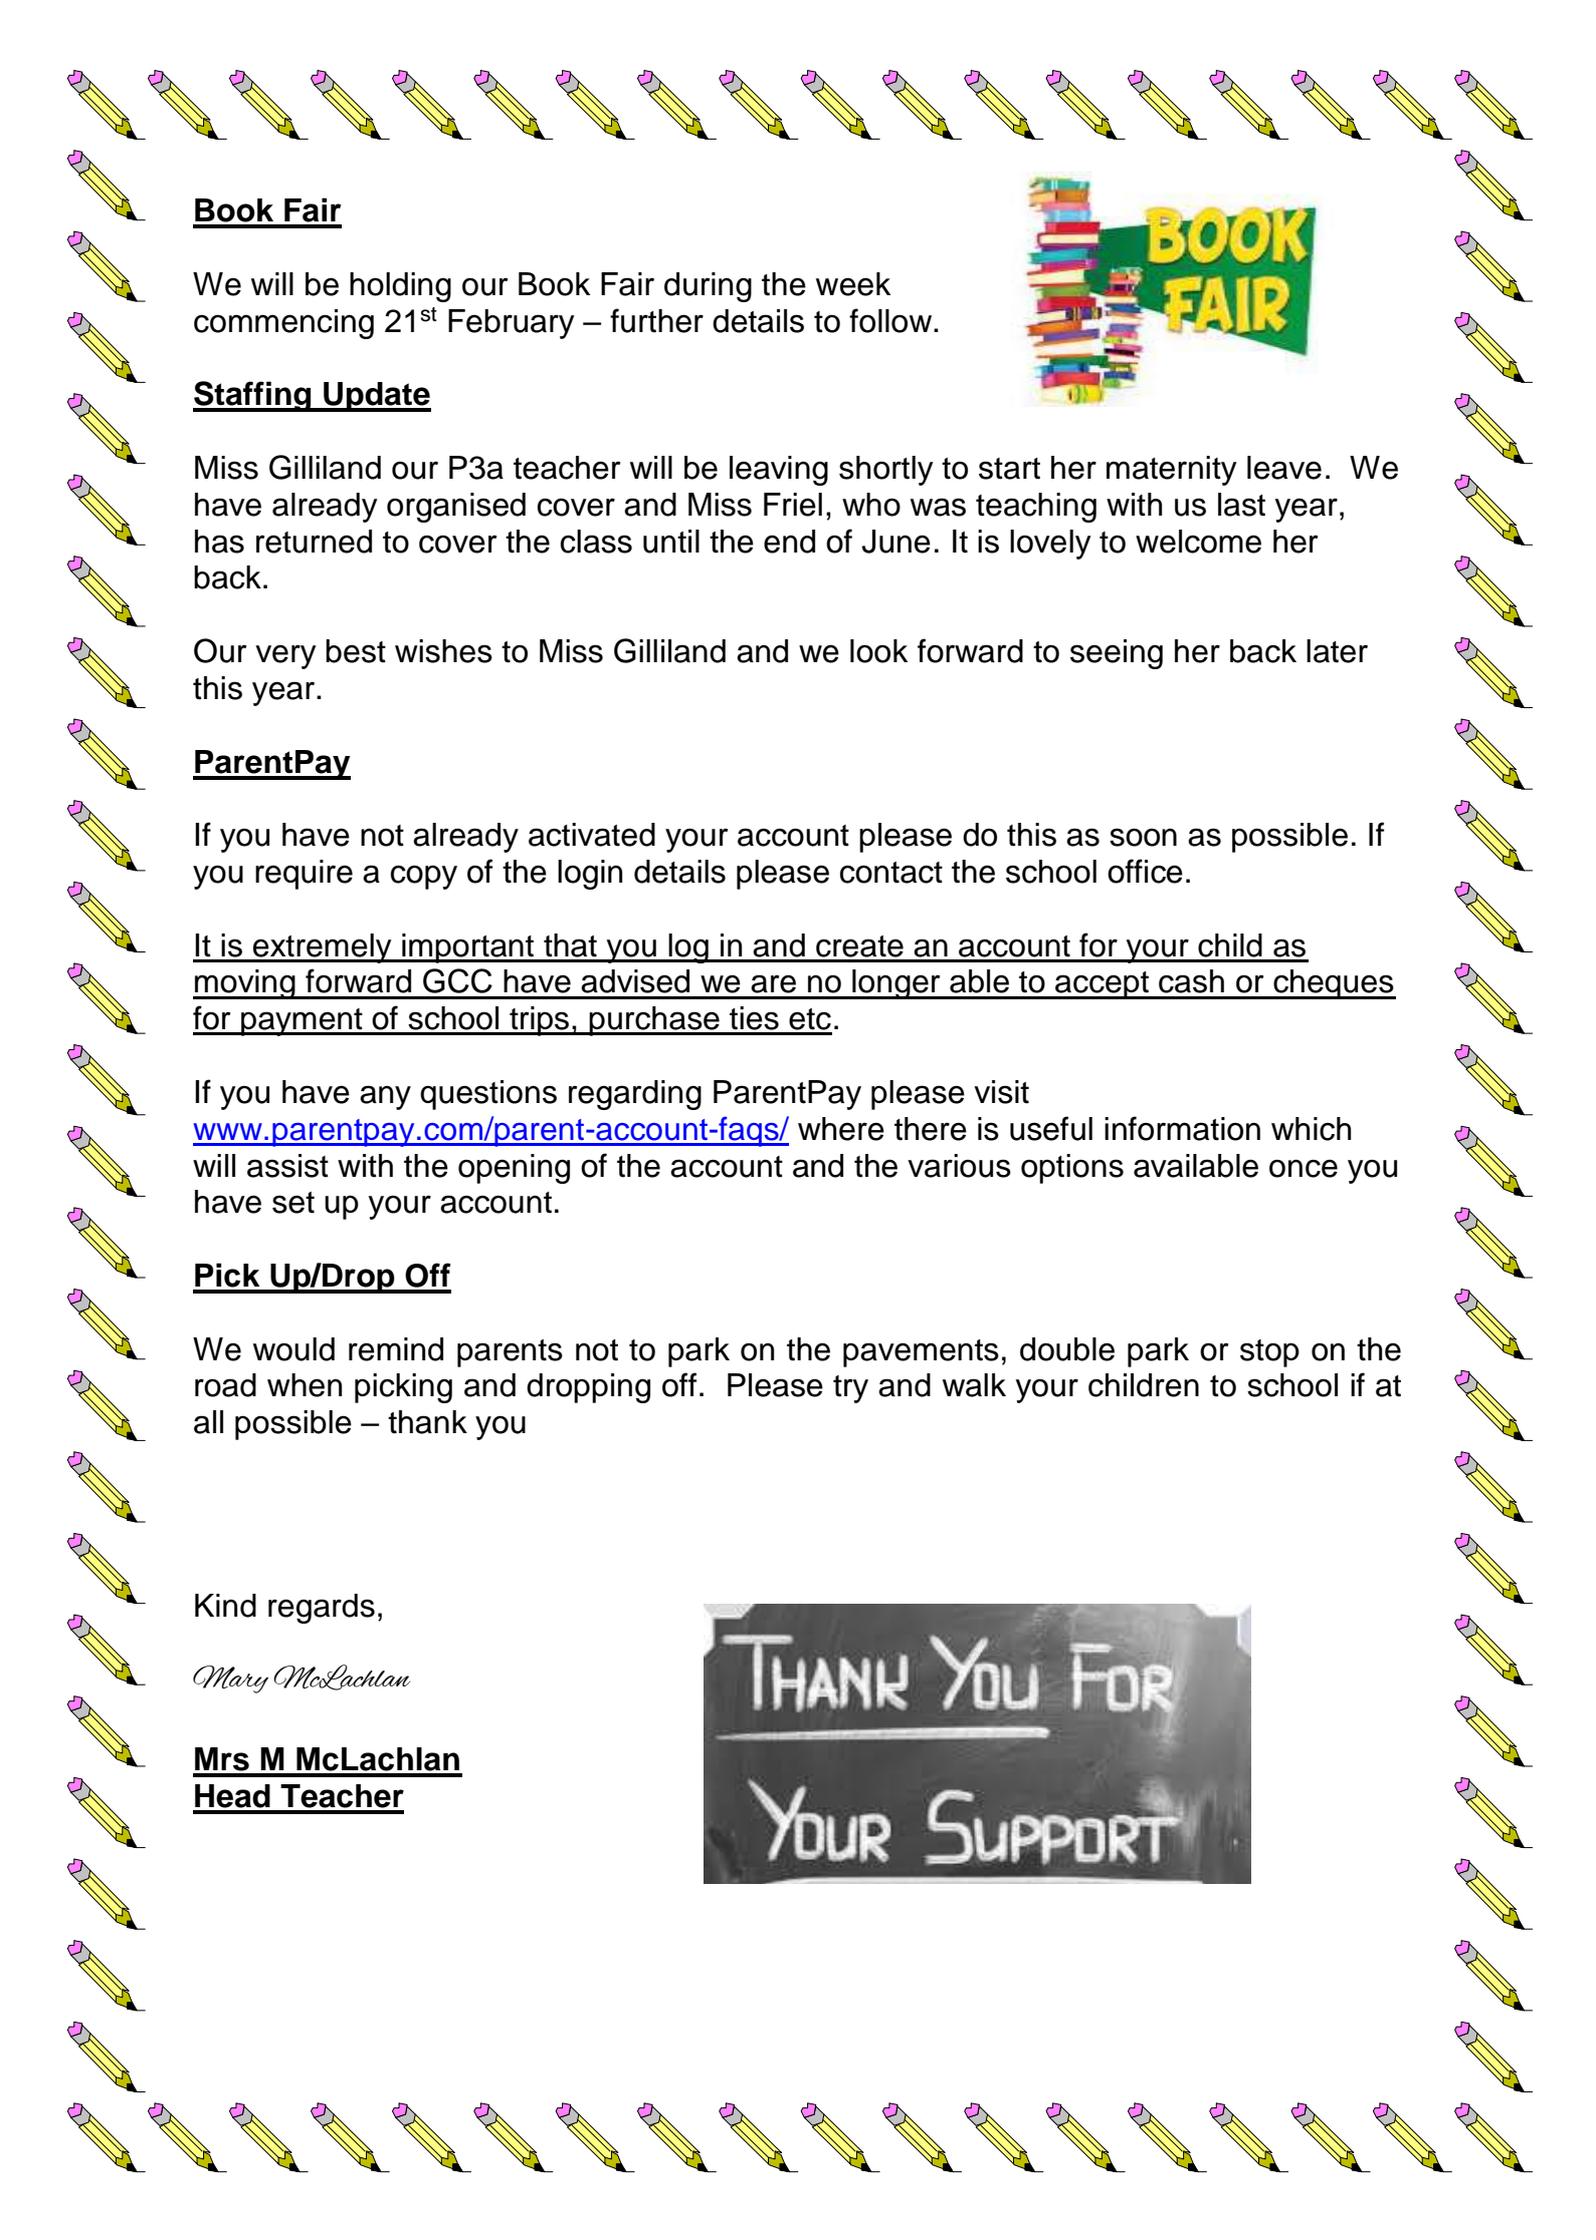

Burns Day Tuesday 25th January

Pupils can come to school wearing something tartan if they wish to celebrate Burns Day on Tuesday 25th January.

Road Safety Workshops

Our Road Safety Officer will be delivering various Road Safety Workshops to pupils during the month of February, further details to follow.

Book Fair

We will be holding our Book Fair during the week commencing 21st February – further details to follow.

Staffing Update

Miss Gilliland our P3a teacher will be leaving shortly to start her maternity leave. We have already organised cover and Miss Friel, who was teaching with us last year, has returned to cover the class until the end of June. It is lovely to welcome her back.

Our very best wishes to Miss Gilliland and we look forward to seeing her back later this year.

ParentPay

If you have not already activated your account please do this as soon as possible. If you require a copy of the login details please contact the school office.

It is extremely important that you log in and create an account for your child as moving forward GCC have advised we are no longer able to accept cash or cheques for payment of school trips, purchase ties etc.

If you have any questions regarding ParentPay please visit www.parentpay.com/parent-account-faqs/ where there is useful information which will assist with the opening of the account and the various options available once you have set up your account.

Pick Up/Drop Off

We would remind parents not to park on the pavements, double park or stop on the road when picking and dropping off. Please try and walk your children to school if at all possible – thank you

Kind regards,

Mary McLachlan
